HEADLINE: Roberts Park Fire Protection District, Justice, Ill., Hired MPI Investment Management as Sole Manager

Roberts Park Fire Protection District, Justice, Ill., hired MPI Investment Management as the sole manager of its \$8 million pension plan, according to board President, LT. Joseph Duffy. MPI will invest 75% of plan assets in fixed income and 25% in equity, Mr. Duffy said. The assets were internally managed in long-term U.S. government bonds, and plan trustees thought the assets were growing too large to be run in-house, he said.

About Roberts Park Fire Protection District: The Roberts Park Fire Protection District is located in Justice, Illinois and provides fire suppression, rescue, hazardous material response, and emergency medical service to over 16,000 citizens in the southwest Chicago suburbs of Hickory Hills and Justice.
